

# City of San Gabriel Honors the Troops

Dear San Gabriel Residents,

The City of San Gabriel will be honoring all members of the Armed Forces at the 2012 Kids Day and 4th of July Parade. To honor them we will be constructing an "Honor Wall" that will display all current and past troops that live in the City of San Gabriel. The "Honor Wall" will list the name, branch, years served and picture. If you or someone you know served our country in one of the five branches of the United States Military we would like to display that information on the Wall. Along with providing a photo we invite you to participate in this year's parade. To recognize a loved one please fill out the bottom portion of this flyer and submit a 4" x 6" photo to the Parks and Recreation Department. If you submitted an entry in 2011 you DO NOT need to resubmit a photo, your honoree will automatically be acknowledged.
