

MEETING NOTICE

INVITATION

Last summer, Hunt Design Inc. was retained to create a visual identity for the City and develop a wayfinding signage program to boost marketing of local attractions and landmarks to visitors and tourists.

At this meeting, the City Council and San Gabriel Re-development Agency will consider adopting a new City logo and tagline for City stationery and signage use. In addition, wayfinding signage plans to help motorists and pedestrians navigate districts and destinations will be presented for approval.

Visit the City's website at www.sangabrielcity.com to view the recommended logo and tagline and proposed family of signs.
